# RAW CHEF TRAINING LEVEL 2

21-27 OCTOBER 2018

Our brand-new 36-hour training builds upon the skills you acquired in level 1\* and introduces contemporary plating and presentation, advanced dehydration and cold smoking. In teams of like-minded people, you will prepare advanced raw recipes such as Balinese Nasi Campur, creative Japanese Nigiri, Enchiladas, Tortellinis and many more, incorporating powerfully healing cooked ingredients, medicinal mushrooms, and next-level superfoods. You will learn valuable food photography tips and the principles of Conscious Business.

Take your knowledge and understanding of the raw, plant-based lifestyle to the next level! Refine your culinary skills, increase your confidence in preparing elaborately flavored dishes, and deepen your spiritual connection to food, above and beyond your imagination!

\* Prerequisite: Level 1 Training at Sayuri Healing Food or equivalent (please contact us for a list of approved equivalents)
