

Our logo represents the circle, ENSO (円相), in Zen, translated to KUU (空), the source or essence, nothingness, the infinity & the whole universe, that everything is interconnected in a chain of co-becoming and in a state of constant flow.

This place is for us all to become KUU, where each one of us becomes the "shine" of the uniqueness of our existence, which is the pure purpose of our here & now, and therefore the most powerful force impacting everything around you. Have you noticed that when you smile, the whole universe smiles, even your neighbors & the trees smile back at you? So thank you for smiling today, thank you for being you.

Did you know that every living being gives off light, called "bio-photons"? What if we eat more of this light? If "we are what we eat", what food do you want to become? We serve predominantly raw-living food for its higher light & vibration to enhance healing processes, healthy rejuvenation & longevity on physical, emotional & spiritual levels. Our recipes incorporate the ancient wisdom of Ayurveda, Chinese, and Macrobiotic, which see food as "energy", therefore it helps us to re-align ourselves with nature. If we can align with the universal energy, our body, mind & spirit should function perfectly how they are supposed to. And what if "what we eat" is the easiest access for that alignment? What if all that radiant- ness within is possible from the simple act of eating?

Let our food be the medium for us all to fulfill our dharma - the true purpose of our here & now on this planet, to activate ourselves to reach our full potential, to heal & balance our body, mind & spirit for each and all living beings!

All plant-based vegan. All our nuts & seeds are activated/soaked (& dehydrated under 48°C) to activate the enzymes & maximum nutritional intake for easy digestion. We prioratize organic & naturally grown veggies when possible. All our miso & tempeh is non-GMO & organic. We have many gluten-free options and our ingredients are ethically & organically sourced where available. All filled with good intention & love.
